Sire: Dam:

The mare will be inseminated in the following insemination center:

Name :

Adresse :

.....

Phone : Fax :

BREEDING FEE:

The breeding fee for the breeding season 2010 is 1200€.

The cost mentioned is due at the following dates :

- 600€ when signing the contract
- 600€ and shipping costs are due before shipment of the semen

CONDITIONS:

A limited number of 8 doses are included in the breeding contract :

Should the broad-mare fail to conceive, resorb or not produce a live foal for a period of not less than 48 hours from the time of birth, the broad-mare can (after presentation of a certified writing by a licensed veterinarian) be re-breed in the following breeding season 2011 by Europe's Padron at no additional breeding-fee cost. In this case the mare owner has to only bear the additional and extra costs.

The doses can't be use for another mare than the one written on this contract. If it remains doses at the end of the breeding season, they have to be shipped back.

Living foal guarantee (48 hours).

In the event that Mare does not conceive during Breeding Season or for any other reason, if Mare Owner exercises the right to a return breeding pursuant to the LIVE FOAL GUARANTEE section hereof, the Mare Owner shall pay Stallion Agent a rehandling fee of 150.00€ prior to the rebreed. Mare Owner shall notify Stallion Owner within sixty days of the last insemination of the year if the Mare did not conceive, in order, to be eligible for a rebreed the following year. Mare Owner shall also notify Stallion Owner within thirty days of the Mare's abortion, should the Mare abort.

In the event that Mare does not produce a "Live Foal", then Mare Owner shall provide Stallion Agent with a veterinarian's certificate stating the time and date of birth, time and date of death, and cause of death within seven calendar days of such death.

In the event that Mare dies, Mare Owner shall provide Stallion Owner with a veterinarian's certificate of death.

Live Foal Guarantee shall be specifically conditioned upon Mare Owner's vaccination of Mare for Rhinopneumonitis in the fifth, seventh, and ninth months of the Mare's pregnancy. Mare Owner shall provide the Stallion Owner with a certificate indicating that such vaccination has taken place at the time the Mare owner requests a rebreed pursuant to this section.

Live Foal Guarantee to Stallion shall lapse and the Stallion Owner shall have no further obligation under this section if:

1. Mare Owner fails to provide Rhinopneumonitis vaccination certificate.
2. Mare is bred by any other stallion without written consent by Stallion Agent prior to rebreed.
3. Mare is substituted with another mare without written consent by Stallion Agent.
4. Mare fails to conceive, aborts, or dies and Mare Owner fails to notify Stallion Agent as defined in this section.

All the additional costs: insemination, veterinary, semen shipment... are due to the mare owner. The breeding-certificate as well as the for the insemination required "WAHO Insemination Report" will be handed over only after complete payment

Only written changes of this contract are valid. Changes or partly changes of paragraphs do not render the contract invalid.

The authentic language of this contract is French. In case of differences in the content of the translated version the French version prevails.
